Updated: May 2016

There is a Specialist Social Worker with the Autism Spectrum Conditions Service (ASCS)

The overall aim of the Autism Spectrum Conditions Service is:

To increase awareness and understanding of autism amongst front line professionals within North Somerset.

To improve the ability of these services to work effectively and efficiently with adults with autism.

What does the North Somerset Autism Spectrum Conditions Service (ASCS) do?

The service offers:

Advice and Consultancy for professionals working alongside adults with autism within North Somerset. Signposting to autism resources.

Joint work with other professionals for adults with autism within North Somerset.

Case-work - small, discreet, time-limited case-work with adults with autism within North Somerset.
