May 2016

The Community Team for People with Learning Disabilities (CTPLD) is a joint team of Health and Social Care Professionals.

We provide a service for adults with learning disabilities and their carers living in North Somerset.

We aim to help people with learning disabilities to have the same chances as anyone else and lead a full and interesting life.

We encourage and help people with learning disabilities to live independently by promoting:

- Health, Wellbeing and Safety
- Supported Living
- Employment and Training
- Person Centred Planning
- Social and Leisure Activities

To request a service from our team please complete a referral form (available from our website www.ld4u.org.uk)

An assessment will take place to see if an individual is eligible for our services.

Information about our Aims, Eligibility Criteria, the Care Act 2014 and a referral form are available on our website.

For more information about the full range of services please refer to our easy-read website:
