

Working Together to Benefit our Community

## North Somerset Community Team for People with Learning Disabilities (CTPLD)

### Community Reviews

**Community Reviewing Officers** check the services that you receive. These checks are called **Community Reviews**.

When we meet you to do your review we check:

- What's working and not working for you
- If your support needs have changed
- If you need any other support

Together we will talk about and decide:

- New actions needed to support you
- Your aims for the future known as '**Outcomes**'
