

Working Together to Benefit our Community

**North Somerset
Community Team for People with Learning Disabilities (CTPLD)**

Psychiatry

Our **Psychiatrist** can provide a service for you if you have a learning disability, live in North Somerset and have mental health issues.

- The Psychiatrist is happy to speak to you about anything that is upsetting or worrying you.
- The Psychiatrist will help with problems like feelings, eating, sleep, mental illness, memory and epilepsy.

- The Psychiatrist also links with other professionals who work with us to provide a service to people with learning disabilities.
- We provide assessment and consultation on mental health issues and advice / support with medications.
- The family and carers of a person with learning disabilities can receive consultation regarding supporting a person with learning disabilities in mental health crisis.
