### Community Team for People with Learning Disabilities

### Speech and Language Therapy

Our **Speech and Language Therapy Team** will help you develop the best communication approach for you.

We work with your carers, friends and family so that everyone communicates with you in the best way.

We can help you chew and swallow as safely as possible.

We work with:

- People over 18 with a learning disability.
- People who find it hard to understand and say what they mean.
- People who need to update their communication approach (for example signing or using technology)
- People who have difficulty chewing and swallowing.
