

Working Together to Benefit our Community

Going into Hospital - Support for People with Learning Disabilities living in North Somerset

'Traffic Light' Assessment Form

This should go with a person to hospital. It will help hospital staff to understand the person's support needs and how to make their stay in hospital as positive as possible.

To get a copy of the form, contact the CTPLD on: 01934 427600 or print a copy from our website: www.ld4u.org.uk

If you or someone you know with a learning disability is going into hospital and may need extra support or planning, please contact:
